LAHN SOCIAL HALL | KATZ JCC

Dear Esther is a performance based on the true story of Esther Turner Raab, a local Holocaust survivor honored by our Raab/Goodwin Center, who escaped from Sobibor, a Nazi death camp in eastern Poland, and the site of a rebellion by the death camp workers against their Nazi captors. Through interaction with her own conscience and the reaction of students as written in personal letters to her, Esther confronts many of the themes that define this devastating period in world history.
